Information for authors

The Editorial Board accepts articles in Ukrainian, English, Russian and all Slavic languages from 6 to 12 pages that match the thematic areas of this journal. The journal is published twice a year (May and November). Each author receives a certificate of published materials indicating the source data publication.

Formatting requirements

General requirements: We publish original works which have not been published anywhere else. This journal as a peer reviewed journal requires that, prior to publication, submitted articles be approved by a board of reviewers and/or peers in the subject area in order to evaluate the quality, validity and reliability of

the article. Authors are responsible for syntactic and grammar processing materials as well as ethics citations of other authors.

Each submission must be sent to the following e-mail address:

text-intertext@yandex.ru

Attachment file must be formed in a text editor Microsoft Word 2003 (2007) and saved with the extension doc (docx). The file name is given by the author's name (eg, Ivanenko_stattya). If the article has several authors only the surname of the first author is mentioned. The files must be checked by antivirus.

If the author doesn't have PhD, his/her article must be accompanied with scanned supervisor's reference.

Technical requirements. Page format A4 (210 x2 97 mm.). Margins on all sides - 20 mm. Indent line – 12.5 mm. Line spacing – one and a half (1.5). The pages are not numbered. Font – Times New Roman. Size pin (Character) – 14. The text is typed without divisions, the entire width of the page. You must use the same type of quotation marks («...»). Text should distinguish the characters dash (-) and dash (–). Footnotes at the end of the page (article) are not allowed.

Requirements to the structure of the article

The materials are as follows: first line – name of the author / authors (separate paragraph of the right-aligned, in bold); next – the name of the town / city (separate paragraph of the right-aligned); new line – e-mail (separate paragraph of the right-aligned). The next line – duplicated name of the author / authors in English. Under it – city name is specified in English. Title of the article is submitted in capital letters, bold (separate centered paragraph). Under the title of the article its translation must be given in English. Summary (3-4 sentences) and keywords (maximum 5) in article's language and in English are placed under the headline. After annotation the text is placed.

The structure of the article should contain the following elements:

- Introduction: problem definition and its relationship with important practical tasks.
- Formulation the purposes of article (problems).
- Recent studies and publications the author based on and unsolved aspects of the problem the article is devoted to.
- The main part focused on results and findings.
- Conclusions, discussion points, feather researches.

Citations in the text are given in brackets. The first number – the number of sources in the bibliography, the second – the page number. They are separated by semicolon, eg .: [5], [6, 123] [5; 34]. In the sentence the dot is put after brackets.

The references are placed in alphabetical order at the end of the article (line spacing – one). Please, look at the sample for article and references.
